Copyright © 2023 I am a Web Developer.

Create your own interactive webpage using different types of stylesheets (use inline, internal and external CSS). The webpage should display

1. Name the website like I am a web developer
2. Website name have to be displayed at the top center of the webpage on an image. Apply some text effects to the website name.
3. Create four tab like home, about me, skills and contact. Give internal reference to all these contents
4. Display some welcome content in home page. Set suitable font, text and color properties for the content
5. In about me display ur image with some contents.
6. Display my skills in table format. Apply border properties for the table.
7. In the left side of the webpage at a particular part use animation and transformations to display the text. The images of the courses have to change at a particular interval

Hey, this is my homepage, so I have to say something about myself. Sometimes it is hard to introduce yourself because you know yourself so well that you do not know where to start with. Let me give a try to see what kind of image you have about me through my self-description. I hope that my impression about myself and your impression about me are not so different. Here it goes.

Hi! I am C.K.Bhalaji I am currently studying in Velammal College of Engineering and Technology.My ambition is to become a teacher.By fate I have joined here ther is no problem to study any thik if we want we can do anythingafter studying.

I have a great full family everyone has it but for me my family is best my mother is a housewife and my father is the municipal assiatent I have the best family.
</pre>

<section id="abouter">
<h1>About Me</h1>
<div class="about">
 <img src="BHALAJI C K Photo.jpeg" alt="Photo">

 <pre style="font-size: medium;font-family: Georgia, 'Times New Roman', Times, serif;">

              I am a person who is positive about every aspect of life. There

              are many things I like to do, to see, and to experience. I like

```
                         to read, I like to write; I like to think, I like to dream; I like

                            to talk, I like to listen. I like to see the sunrise in the

                              morning, I like to see the moonlight at night; I like to feel the

                                music flowing on my face, I like to smell the wind coming from
the

                                ocean. I like to look at the clouds in the sky with a blank mind,

                             I like to do thought experiment when I cannot sleep in the middle

                             of the night. I like flowers in spring, rain in summer, leaves in

                            autumn, and snow in winter. I like to sleep early, I like to get up

                         late; I like to be alone, I like to be surrounded by people. I like

                         country's peace, I like metropolis' noise; I like the beautiful

                       west lake in Hangzhou, I like the flat cornfield in Champaign.

                   I like delicious food and comfortable shoes; I like good books

                and romantic movies. I like the land and the nature,

                   I like people. And, I like to laugh.
